

The image shows a white document page with a black border. The top-right corner is torn, with a jagged black line indicating the missing piece. Two horizontal black lines are positioned near the top of the page. In the center of the page, there is a large rectangular box with a black border. Inside this box, the equation $E = mc^2$ is written in a black serif font. To the right of the box, there is a short vertical black line. Near the bottom of the page, there is a single horizontal black line. Below this line, the number '1' is centered.

$$E = mc^2$$
